Did you Buddy Check today?

Hope everyone is doing a couple of Buddy Checks a week, call, text, or knock on a door, we need to watch out for each other. We recently got in Buddy Check door hangers which we are distributing throughout the Department. If you knock on a door, and no one is home, leave a door hanger so the veteran knows somebody stopped by. It's a great, subtle, membership tool also.

So what is on your Post's calendar? As we hunker down for the middle of the winter season, many of us have some great events, maybe a Chili Contest, or a Jiggle's and Giggle's jello mold contest. Post

community dinners, and meat raffles abound. Let us know about them. Ask to be placed on the Department Calendar, District website or E-Legionnaire. Get the word out. To those not doing anything, or have the night free—!ROADTRIP! Go check out what someone else is doing and meet great legionnaires in the process.

Let's start gearing up for some of our biggest youth programs: Oratorical, Boys/Girls State, Youth Law Cadet, Scholarship Programs, Eagle Scout of the Year. And you TAL members with daughters, the Legion Auxiliary has some great programs (scholarships, etc.), as well as some events this spring also. The SAL is ramping up to have quite a year, owlng tournament oming soon.

We have all heard the story of the USAT DorchesterPlease consider attending a Four Chaplains event in your area,

February 1st. Leeds VA Chapel (out west), Manchester (northeast), North Middleborough (southeast).

We hit our goal of 80% for membership, thank you to all that put in the effort to get us there. 85% is next, February 11th. And we are about -700 on the over and under.

As we venture into the New Year, let us not only be thankful for what have, but may we remain vigilant to keep our veterans relevance high within our community. The winter is brutal, make sure our greatest assets are not snowed in, or struggling to get to the grocery store or pharmacy. Please **Be the One!** and remember that **Buddy Checks** are one of our best tools to stay connected.

Everyone in for the 250 Challenge!! Our 250 committee has put together some great things. Check it out! Met with Congressman Richard Neal while he was traveling the General Knox Trail, talking up America 250.

Get involved. Many District and Department committees have vacancies, and there are many great opportunities to be found. Reach out to your District Commander and find out what's available. Did you know that any Legionnaire can attend a District Meeting, or a Department Meeting. Does everyone at your Post get E-Legionnaire? If not, sign them up, please.

So you ask, what happened to the WWII vet that was having trouble with his shirt buttons? Bought him a oxford shirt with velcro closures, he looks great!

My Commander's Charity is Operation Comfort Warrior. Consider having an event with proceeds to support this incredible program.

Department President

As we begin the month of February, I extend my sincere appreciation to each of you for your continued dedication to the mission of the American Legion Auxiliary. Your service, leadership, and commitment strengthen both our organization and the communities we proudly support across the Commonwealth.

February is recognized as Americanism Month—a time to renew our focus on patriotism, responsible citizenship, and respect for the values that define our nation. I encourage all units to actively participate in Americanism initiatives by promoting the Americanism Essay Contest, themed “Celebrating America’s 250th Birthday and the Veterans Who Fought for Our Freedom.” This is also an ideal time to emphasize flag education, support youth and school programs, and engage in activities that honor our country and its cherished freedoms.

This month also calls us to pause in remembrance on Four Chaplains Day, honoring the courage and sacri-

fice of four chaplains whose selfless actions continue to inspire unity, faith, and service to others. Their legacy reminds us of the profound impact compassion and courage can have—even in the most challenging circumstances.

As we observe Presidents Day, let us reflect on the leadership that has shaped our nation and recommit ourselves to being informed, engaged citizens who uphold the principles upon which our country was founded.

Thank you for your unwavering support of our veterans, military members, and their families. Your volunteerism and compassion remain the foundation of our success and a true testament to the values of the American Legion Auxiliary. Together, let us continue to serve with purpose, pride, and respect—For God and Country.

Hello Legionnaires,

February promises to be a busy month for the Department of Massachusetts. First, our beloved Patriots will be playing in the Super Bowl, what a difference a year makes. Second, I will be traveling to Atlanta to attend the National Regional Information Conference put on by the National Organization. I am hoping to bring back plenty of great information to share with you all. Third, the Department will be sending a contingency to the 66th Annual National Washington Conference. It is at this conference that our contingency will "storm the hill" if we are still allowed to use that phrase to talk to our Massachusetts Congressional Representatives. Our contingency will bring the full forces of the 27,000 voices of all Massachusetts Legionnaires. We will be meeting with our Congressional Representatives to express (mildly) our concerns regarding veterans, particularly benefits, education, suicide, employment, and healthcare. A select few from our contingency will hear our National Commander Daniel Wiley give testimony to the Joint Committee of Veterans Affairs. Our National Commander will represent the largest veteran's organization in the world with the American Legion Legislative Agenda. You can find information regarding the Washington Conference <https://www.legion.org/get-involved/meetings/washington-conference>. Fourth, the Annual Post Data Form should be delivered to the Department mid-February and mailed to all posts. Even if you do not have any changes, please submit them to the Department Office two weeks prior to when the forms are due to National. Fifth hope to see you all at the Department Commander's Banquet on February 21st at Plainridge Park Casino 301 Washington St Plainville, M, Social Hour at 12 noon and dinner at 1 pm. The National Commander will be in Massachusetts March 21st at the Best Western Royal Hotel and Trade Center in Marlboro, MA 181 Boston Post Rd W Marlboro MA 01752. Social Hour at 2 PM and Buffet at 3 PM. Come on down and meet National Commander Daniel Wiley from Kansas. Finally, LETS GO PATS!!!!

Sincerely yours,

Lisa A. McPhee

Title: Building Our Legacy Together: February is Americanism Month

February marks Americanism Month, a time dedicated to the ideals of God and Country and the preservation of the American spirit. In our community, we see this spirit reflected in the long-standing pillars that support us—from the veterans who served our nation to the local businesses, like Sneaker Junkies, that have anchored our streets for 15 years.

Why Your Membership Matters

The American Legion is more than just a social club; it is a powerful advocate for those who wore the uniform. When you join Post you aren't just signing a roster—you are strengthening our voice in Washington and our impact right here at home.

Your membership directly supports:

- Local Veteran Outreach: Providing a "home base" for resources and camaraderie.
- Youth Programs: Investing in the next generation through scholarships and American Legion Baseball.
- Legislative Advocacy: Protecting the VA benefits and healthcare you earned through your service.

A Community Built to Last

Longevity and commitment are the hallmarks of a strong community. Just as a trusted retail shop becomes a neighborhood staple over 15 years of dedicated service, the American Legion remains a steady hand for veterans. However, our strength depends entirely on the active participation of veterans like you.

Join Us This Month

This February, we invite all wartime veterans to stand with us. Whether you served decades ago or have recently transitioned to civilian life, your experience is an invaluable asset to our mission.

Senior Vice Commander 25-26
Department of Massachusetts
Candidate for Department Commander 26-27

History is an important part of our lives. The greatest generation of veterans is slowing disappearing before our eyes, and the best way to honor their legacy is to say their names and show the world the amazing giants who have walked among us. I ran across three such veterans and wanted to share.

First, we have Anthony Murphy, a WWI veteran who turned 99 years young and celebrated his birthday on 1/10/26 at the Worcester Eagles Club,

joined by Cmdr. Scott Conner and others. "In 2024, at 97 yrs, presented by the office of the mayor, he received the Key to the City at the Woo Sox "In Debt to a Vet". By direction of the Chief of Naval Personnel, an award was given to Anthony who joined the service in January 18, 1944 for meritorious conduct as a member of the naval services, a ribbon bar with the star of the presidential unit citation award the USS Essex for heroism displayed by her crew in action again enemy Japanese forces in the Pacific war area from August 31, 1943 to August 15, 1945. The USS Essex, whose crew claim for her the title "fightingest ship in the Navy", amassed an impressive 68 combat operations supporting every major Pacific engagement from Tarawa to Tokyo Bay. During

her action in nine major invasions, she fought through 357 Japanese raids and was hit only once when a kamikaze took out a 20 mm gun position and tied up flight operations for half an hour. Anthony was honorably discharged from the Naval service of the United States on April 18, 1946. Tony Murphy is an incredible representation of the greatest generation, men and women who were true heroes who understood the real meaning of sacrifice and honor. Thank you to Tony for giving party of your life in service to our country." (Taken from Lisa Carter post 8/19/24).

Next, an amazing story shown on Fox News on 12/20/24.

"**FREEDOM RINGS:** 104-year-old World War II veteran Dominick Gritelli, who fought at Normandy and in the Battle of the Bulge, wowed the crowd by performing the National Anthem on his saxophone at a New York Islanders Game. Critelli, a staff sergeant who immigrated to the U.S. from Italy when he was a child, spent 151 days in combat during WWII, earning three Bronze Stars." Keep on playing Dominick!!!

Lastly, "We bow our heads in reverent sorrow as we remember Albert Henry Brown, the oldest surviving veter-

an of the Bataan Death March, who has passed away at 105. His life stood as living proof that the human spirit can endure even humanity's darkest hours. Captured in 1942, Albert survived the infamous 65-mile march of starvation, brutality, and death — a road where thousands of his brothers fell. He then endured more than three years in Japanese prison camps, his body broken but his will unyielding. Doctors once said he would not live to see 50... yet he carried his scars, his memories, and his truth for more than a century. With his passing, a vital witness to unimaginable suffering falls silent. But Albert Henry Brown's courage, endurance, and quiet strength will echo forever — a reminder of what was endured, and of what must never be forgotten." (*World War II in color*, posted on January 17, 2026).

As Jake always reminds us – When we Hear...we Forget, When we See...we Remember...BUT When we Do...WE UNDERSTAND. Go find our brothers and sisters that hold our history and listen and understand.

My Time in the National American Legion College 2025

National Commander Wiley present
Megan Chandler, Finance Officer, District Three with her diploma!

Thank you so much to everyone who encouraged me to attend the National American Legion College.

From the moment we arrived on Sunday, we hit the ground running and spent the entire week learning the ins and outs of the American Legion and what it truly means to be a successful leader.

This was the first year that **servant leadership** was the primary focus of the curriculum, and I am incredibly grateful to have been part of that. Servant leadership is defined as leading by prioritizing service to others first focusing on the growth, well-being, and success of the people and communities we serve. Rather than leading through authority or position, a servant leader leads through empathy, humility, integrity, and by setting the example.

The experience was outstanding. It was inspiring to hear from past National Commanders and instructors from all over the world. Their knowledge, experience, and willingness to share made them invaluable resources.

One of the biggest takeaways from my week was the importance of **mentorship**. Every one of us should be mentoring someone to eventually replace us, and

we should also recognize that we are all teachable and should be willing to be mentees ourselves. Not having a replacement leads to posts becoming stagnant and resistant to change—often resulting in the stereotypes that the American Legion is “just a bar for old white men” or a “good ol’ boys club.”

Which brings me to my next point: **being willing to accept change**, rather than saying, “that’s the way we’ve always done it.” Resistance to change directly impacts recruitment and retention, especially among different demographics that could greatly benefit from a strong, welcoming, and well-run post. For example, there is currently an Airman at Westover who serves as the captain of the Air Force gaming team—*these are the new veterans*. We must be willing to adapt if we want to remain relevant.

Another highlight of the week—and my favorite day—was **finance day**. It is critical that posts stay current with their tax-exempt status. If anyone needs help obtaining or reestablishing that status, I am more than willing to assist. Sound bookkeeping practices and absolute transparency are essential. Members should know the who, what, where, and when of all post finances. If that transparency does not exist, an audit should be considered. Audits can be conducted internally or externally with an accountant, and annual audits are a best practice. Additionally, if the same individuals have always overseen finances, bringing in new people can help avoid conflicts of interest.

We also discussed the **Be the One** initiative. Every member here can take the available online course, it’s about an hour long and offered on various days and times. The information provided has the potential to save the life of a fellow veteran who may be struggling.

One of our first assignments was to write down three reasons why we joined the American Legion and three reasons why we stay. This exercise was incredibly meaningful because it reminds us of the purpose the American Legion serves—something we can easily forget.

I joined to find purpose again in my life. I have been disabled for a long time, graduated school, and felt unsure of what came next beyond my role as a single mom. I stay because I see the tremendous good that can come from this organization. I truly believe that our shared experiences, however different they may have been, shaped us into like-minded individuals in ways that not everyone can understand.

So remember your *why*, and let's continue working together to make the American Legion stronger every day.

Megan Chandler
District 3

We have begun a new year as the largest Veterans group in America, this year we celebrate our Nations 250th birthday. There is much to do on all our part to ensure we are ready to reach that July date. We can work steadily together to reach our goals and make this our finest moment, one that remembers all those brave men and women who fought to give us our freedom. The many who stood up and together, we had much needed victories that helped us become a new country under one flag. There were many great leaders, George Washington who became the Father of our Country, John Hancock who penned our Declaration of Independence and Paul Revere who

gallantly rode to alert all, “**the British are coming**”!

Our country has come a long way in these 250 years, we have since fought many battles during this time. Too many lives have been lost and we remember them each year during our Memorial Day ceremonies as we mark our Veterans graves with our flag. All Veterans of our country stand together and honor those fallen heroes, the ones that never came home. We tell stories of brave men and woman who fought for us to protect our liberty our home.

Later this year we will again have parades and ceremonies to celebrate all our men and woman

on Veterans Day, these are the ones who make this Country so great by their positive actions daily helping our Veterans and their **Love for Country**. It is important to have these events where we honor our comrades who gave their time in our armed forces and fought to keep us free from tyranny.

Basic Training.

No, not going back to Fort Jackson, Parris Island, Great Lakes or Lackland AFB.

The American Legion's official training program for officers, members, Legion College applicants and those who simply want to expand their knowledge of the nation's largest veterans service organization is now available online.

Already taken the old course? The American Legion Extension Institute has been rewritten, updated, streamlined and enhanced with videos, digital photos, clickable links, a historical timeline and additional features. The program should take less than two hours to complete. It is divided into six sections, with a quiz at the end of each one, followed by a final exam.

The Course is arranged into 5 major topic areas and 1 concluding section. Each section will present information about the topic via text, images and video. The topic areas are: History and Organization; Veterans Affairs and Rehabilitation; National Security; Children & Youth and Americanism.

At the end of each topic area there is a quiz that will help gauge your understanding of the material.

When you've completed each section quiz, you'll be able to take the final exam. The exam will take roughly ~30 minutes.

You will need a MyLegion account which is simple to set up.

This is appropriate for all American Legion members who: currently hold office; want to move into an officer role; want a refresher; or just want to learn more about our organization. If you had taken the older paper version, this is all revised.

For additional information go to www.legion.org and search for basic training. You may also contact me at jlenotte@gmail.com or ANEC Sandra Davis at skeeisme@hotmail.com

Many veterans face challenges meeting basic needs such as heating and household expenses during the winter months, particularly after the holidays. In response, Jay Beauregard and the Post Legionnaires, Sons of the American Legion, Auxiliary members, the Post Color Guard Team, and members of Post 40 came together to raise more than \$3,000. The funds were proudly presented to the Town of Plymouth Veterans' Services Officer Roxanne Whitbeck, in the presence of Department Officers Senior Vice Robert Jerdan, Adjutant Lisa McPhee, Asst. Adjutant Grace Conner, Plymouth Post 40 Commander Brad Freeman, Post Adjutant Michele Alegria, and SAL Commander Dana Maxim to support local veterans in need.

January 16, 2026 American Legion Post 188 20 Main Street Sandwich MA was oozing with excitement and loads of camaraderie when 60 Veterans with a guest from the local community attended the Veterans Alliance Foundation, (VAF) third Friday of each month free luncheon and market.

VIP's present at the event were Carver Massachusetts Veterans Service Officer Celestine Crews and from the Executive Office of Veteran Services Deputy Secretary Cory Ahonen along with Nick Charette the Deputy Chief Engagement Officer. Mr Ahonen and Charette presented the

CEO and founder of Veterans Alliance Foundation, Ms. Amy Bradford with a citation of accomplishment and gratitude as VAF has over the past seven months distributed 1600 pounds of food from their market and through the third Friday of every month luncheon event served over 450 veterans.

VAF was created by a citizen and wife of a Marine Veteran Amy Bradford, Amy wanted to find a way to honor those that have served and since March if 2025 been doing so in a fulfilling and engaging way.

Luncheons are fun filled events with music, raffles, prizes and friendships.

Open Now: ALA Salute to Servicemembers Award

The American Legion Auxiliary National Security Committee has an amazing award. Each year at National Convention, up to seven servicemembers are recognized with our Salute to Servicemembers Award. The goal is to have every branch of the U.S. military represented — Army, Navy, Marine Corps, Air Force, Coast Guard, Space Force, and the National Guard/Reserve. This is a highlight of the convention.

You may have submitted a servicemember before and think you are aware of the requirements. It is very important each year to check the national website and each program to look for any changes.

Did you know that anyone can submit the ALA Salute to Servicemembers Award NOW?

An ALA member/entity simply makes the nomination — rather than the servicemember — to effectively tell the story of why they feel this person is “head and shoulders” above their peers and worthy of this award.

A simple narrative (no more than 1,000 words), a picture of the servicemember (preferably official Department of Defense photograph), and the endorsement from their command group are the only requirements.

Submit now — and right up until the June 1, 2026, deadline. The nomination form is [live](#).

This award acknowledges the servicemember’s contributions that go beyond their military career, displaying their impact on their community.

Want more info on the nomination form? You’re in luck, as there is a Zoom meeting open to everyone and will explain the entire form. You’ll have an opportunity to ask questions. The Zoom meeting is Tuesday Feb. 3, 2026, at 7:30 p.m. EST. Register for the Zoom meeting using [this link](#).

We look forward to sharing information that will lead to many applications.

Sons Across the Nation Spread Cheer to our Veterans and Children over the Holidays

The holiday season is perhaps the most visible time where the Sons of The American Legion showcases its work throughout our communities. Be it a holiday party, a visit from Santa, a trip to a VA or veterans home, or a toy or coat drive, the spirit of giving is evident in the programs our Sons run at the end of each year.

See over the next two pages some of the good deeds our SAL's have done to make the holiday a little more special for our vets, our kids, and our communities:

Illinois: Make A Wish

Santa Claus was spotted bringing Christmas joy at Onarga American Legion Post 551 in Illinois. Santa, along with the help of "Santa", where member Steve Sullivan had the honor of being Santa. The event raised \$1,000 which was donated to a local "Make a Wish Child" and family that needed help. - Eugene Gort (IL)

Pennsylvania: Holiday Tour

The PA Legion Family and Detachment Commander Mark Nove made 15 stops on their "holiday tour". "It has truly been a honor and blessing to visit all the VA's and veterans homes in Pennsylvania ... Seeing the work our Legion Family does through volunteering time, treasure, and talents is inspiring. It's one thing to talk about it, it's another thing to see it in action!!" - Mark Nove (PA)

California: Serving our Servicemen

Squadron 155 hosted a Christmas party at the Area 22 Air Wing and 3d Assault Amphibian Battalion 1st Marine Division, Camp Pendleton.—John Mejia (CA)

Wisconsin: Caroling for our Vets

The American Legion Family of Post 375 at their holiday community service event ... Christmas Caroling at local nursing homes. 38 Legion Family members participated.

PGA HOPE NEW ENGLAND

Registration Now Open About PGA HOPE

PGA HOPE (Helping Our Patriots Everywhere) is the flagship military program of PGA REACH New England, the charitable foundation of the New England Section.

PGA HOPE introduces golf to veterans with disabilities to enhance their physical, mental, social, and emotional well-being. Participants of PGA HOPE New England program include military Veterans living with physical and cognitive challenges such as Traumatic Brain Injury (TBI) and Post-Traumatic Stress Disorder (PTSD).

PGA HOPE introduces the game of golf through a developmental 6-8 week curriculum, taught and led by PGA Professionals trained in adaptive golf and military cultural competency and include clubs and equipment if needed.

All programs are funded by PGA REACH and supplemented by PGA Section Foundations, so the cost of programming is free to all Veterans.

PGA HOPE has a Memorandum of Understanding (MOU) with the Department of Veterans Affairs, which enables Recreational Therapists to refer Veterans to the PGA HOPE program as a form of therapy.

Through a robust program strategy, PGA HOPE aspires to create a physically and emotionally healthier Veteran and Active Duty community through the game of golf.

ARTICLE SUBMISSION GUIDELINES

Do you have an article or news announcement to share with the rest of the Department of Massachusetts? If so, please follow these basic guide-lines for submissions.

- Submit your text in Microsoft Word format (.doc) or as a text file (.txt or .rtf). Save your file as the same name as the article, so we can easily keep track of it. Be sure to make it clear who the author is, whether it's you or if you are just forwarding it to us.
- **WE LOVE ARTICLES WITH PHOTOS**, or any other kind of images! Include photos and/or artwork for articles *separately* (NOT embed-ded in the article) as high resolution (300 dpi, or better) JPGs. Please name these files accordingly so we can track them along with your article. Let us know in your e-mail of any corresponding captions, and/or name of the photographer if necessary.
- Spell check everything! Especially people's names, web addresses, etc. You can help us greatly here by simply running your spell check function in your word processing program.
- **E-mail everything directly to us at fmacdonald53@comcast.net no later than the 25th of every month for it to appear in the very next issue.** This way we have plenty of time to work with in case we need to clarify anything with you.
